

R-20 Instructions

The County Supervisor sends this letter to the superintendent by November 15th informing him/her that you are approving or disapproving their route descriptions and maps. Copies of this letter are to be forwarded to your lead/area supervisor of transportation and to the school district's director of transportation.

Type the date in the blank space in the first paragraph that you reviewed this information with the district's transportation personnel.

Section B The County Supervisor checks the reason(s) for disapproving the routes. Attached to the copy for the school district's director of transportation will be the R-9 and each incorrect R-16/R-17 with the inaccuracies highlighted on the appropriate document. Provide details on an attachment when it is necessary to explain your reasons for disapproving a route that cannot be explained on this form.
